

Development Committee

Shown here is the property we own in Moneygourney. The outlines of our site can clearly be seen, and the three pitches are also clearly visible.

In an effort to advance development of our property, a development committee has been assembled to investigate all the possibilities for pitch and facilities improvement. No doubt this committee will be meeting, seeking input and trying to conclude its work in time for the 2006 AGM. The overall plan will be to prepare a blue-print for the club for development over the next number of years and to be in a position to apply for National Lottery funding in February 2007.

Una

Una and team captain, Alison Kennedy, following the Munster Under 16 Cup win

Una Moore, founder member of the Douglas Hall Ladies club and a long time stalwart of Douglas Hall sadly passed away on January 17th.

Una was a remarkable lady, devoting much time and energy to the development and growth of our very successful Ladies section. She also found time to be a very dedicated supporter of other club teams. Schoolboy, schoolgirls, men, ladies didn't matter to Una—all teams got her unstinting support when she attended matches.

A great woman, a truly wonderful supporter, organiser, recruiter and motivator—Una will be greatly missed.

Our deepest condolences go out to her husband David, her children Marsha, Carrie, Michelle, David, his wife Kate and son Jamie and all the extended Moore and O'Callaghan families.

In Brian Kennedy's words—as long as football is played in Douglas Hall, Una Moore will never be forgotten.
