### FAI Senior Cup v. Shamrock Rovers

In last season's FAI Senior Cup, we advanced to play Shamrock Rovers in Dalymount Park, in the 2nd Round of the competition. This was our second time to qualify for the FAI Senior Cup along with the Eircom League clubs. This was one of the plum ties of the round—Shamrock Rovers' great tradition and history in the cup meant that this was a really attractive prospect.

As it transpired, Rovers proved too strong, running out 2-0 winners. It is safe to say that this was an experience which will stay with the players and be of benefit. Our hosts on the day were most accommodating and welcoming.

The timing of this particular match is dictated by the differing schedules of the leagues involved.

It is a great pity that the 'Hall early season was disrupted by the Senior Cup, while the Eircom League sides are right in the middle of their season. This particular timing issue will not be easily resolved, so we will have to make do with what we have at the moment.

### Hot shots....

Top scorer for last season, Craig O'Donovan (who has 9 goals for this season) is shown receiving his award from Colin Doyle (on right).

Setting the pace this season on the adult teams is John McCarthy (top left) now with 14 goals —boosted by two hat-tricks in a fortnight.

Top schoolboy and overall scorer is Robert Lehane (bottom left).

Robert has 18 goals and he remains a very regular scorer with both the 11s and 12s.

Top goalkeeper so far this season, is Gary Aherne, (on the right) - he has 6 clean sheets, including one for the MSL Oscar Traynor side.
