## Representative Honours 2005/06

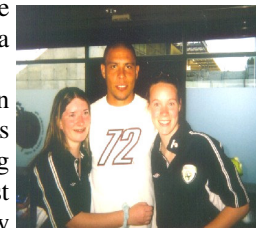

It is always good to acknowledge those club players who play at higher levels.

Top of the list at the moment is **Declan O'Connell** (shown receiving his Man of the Match award following the match v. Carew Park), who played for the Ireland Junior team in the UEFA Regions cup in Poland last June.

**Mary Barrett and Susan O'Donovan** have also been honoured with international selection. They are part of the Irish squad at Under 19 level and are shown below during a qualifying tournament in Spain.

Decky also played for the Munster Senior League in the inter league competition, as did **David Moore**— who was a goalscorer in the competition played in Cork.

**Gary Aherne and Gerard O'Donovan** were selected on the MSL Oscar Traynor panel. However, Strachan was most unlucky to miss out on playing for the league, having sustained an injury. Gary did play for the league against South Tipperary and the WWAC. The MSL side has now advanced to the Quarter Finals of the Oscar Traynor Cup.

**Kevin O'Brien**, who is in goals for our Under 15's has played this season for the Ireland Under 16 team—he is a regular on this side and has acquitted himself well in most recent appearances for the team.
